Poker (w 1 x dealer)	\$200	Not available @ own venue	

For poker, we can open club early for you (between 5pm and 9pm) and have the poker game in club with topless waitressing at same time and then show afterwards.

With the poker, this includes our male resident dealer (who will keep his clothes on!) the tables, chips, timer etc.

Stag shows include; a lap dance down to G-string or nude, whipped cream and marshmallows, not only for the stag but for the party as well. The stag will then be lied down whilst our gorgeous girl makes use of ice and candle wax over his body. It gets better, the stag will then be tied, whipped and rode like a pony. The fun does not stop there, but we will leave it at that!

If you require travel outside of the Queenstown City Center area, there is a travel fee of \$100 per hour of travelling.

We can cater to your budget, and suit your needs. Please email us marketing@club88queenstown.com, or give us a call, (marketing manager, Adam 0212 961 426)

ALL private dances are paid for separately and are not included in the price of the show.

Thank you for your time and kind regards
